Good afternoon Ladies ☺

Gretl Plessinger received a public records request on several DC employees. Unfortunately, history runs will not suffice for the requestor and she would like copies of entire personnel files. Please look at the list of employees below, pull their files, and email those cc'ed in this email the estimated cost to redact and copy each employee's personnel file. It's possible that once it

is realized how much it will cost to execute this request, the requestor will narrow what copies are needed but please be prepared to make copies. I or one of those cc'ed in this email will further instruct you on the copying once an estimate is received.

I have attached form DC1-201 for your use in estimating the cost of production. Below is the list of the employees and their work location.

Ralph Keisge Central Office

George Sapp Central Office

Sarah,

I guess we have to do an estimate and be prepared to copy these files, if needed. Please provide estimate for Central Office employees and coordinate with the appropriate personnel office regarding the estimates for the other files listed.
