Subject: Sunshine Law Request: 2014 Complaint to FL Gov Rick Scott about Collier County's corrupt Court Clerk Dwight Brock
Date: Friday, October 16, 2015 8:35:10 AM

October 16, 2015
Executive Office of the Governor of Florida

To Whom It May Concern:

Pursuant to Florida's Sunshine Law (Fla. Stat. secs. 119.01 to 119.15 (1995)), I hereby request the following records:

Seeking a copy of:

- (1) the Jan 12, 2014 email I sent to FL Gov Rick Scott complaining about public corruption by Collier County Court Clerk Dwight Brock, and
- (2) the Jan 16, 2014 email reply sent to me in response, from Barbara Traylor of the governor's office.

Although not required to do so. I am stating why I am making this request:

The reply I received from the governor, Rick Scott (who is from Collier County), failed to disclose that as an elected official, the Collier Court Clerk Dwight Brock is subject to the public corruption laws of FL, including the following laws:

<http://www.ncsl.org/research/ethics/50-state-chart-criminal-penalties-for-public-corr.aspx#FL>
Florida

Corruptly giving, offering, or promising to any public servant a bribe
Corruptly requesting, soliciting, accepting, or agreeing to accept any unauthorized pecuniary or other benefit by public servant

CC §838.015

CC §838.016

Felony of the second degree

Max . imprisonment 15 years; max. fine \$15,000

Official misconduct

Disclosure or use of confidential criminal justice information

CC §838.022

CC §838.21

Felony of the third degree

Max. imprisonment 5 years; max. fine \$5,000

The governor's office also failed to direct me how to file a public corruption complaint against Collier Court Clerk Dwight Brock.

This failure -- meaning, the governor's failure to appropriately address the very real concern of public corruption I expressed in my email -- is leading me to believe FL Gov Rick Scott is actually well aware of the public corruption of Collier Court Clerk Dwight Brock (and how the People are routinely deprived of their civil rights, including me).

It seems to me FL Gov Rick Scott is covering up the corruption of Collier Court Clerk Dwight Brock, since the governor's office (1) wouldn't acknowledge the problem of public corruption or (2) the fact such laws do indeed apply to Dwight Brock; and (3) would not investigate my complaint, and (4) would not direct me to submit evidence to an agency who would have jurisdiction over investigating and prosecuting public corruption of FL public officials (which I am left to guess is the FBI).

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that fees cannot be waived, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I would request your response within ten (10) business days.

Sincerely,

Susan Alyn
