- Based upon Ms. Beardens' report that Ms. Carbajal did not sign or acknowledging the signatures in your presence, you would have been unable to confirm that the signatures being notarized belonged to the person named in and executing the document. "A notary public may not notarize a signature on a document unless he or she personally knows, or has satisfactory evidence, that the person whose signature is to be notarized is the individual who is described in and who is executing the instrument." Fla. Stat. §117.05(5). Confirming the identity of the parties whose signatures are to be notarized is one of the most fundamental responsibilities of a notary public.

- Based upon Ms. Bearden's report of denial of signing or acknowledging a signature in your presence, it appears you falsely took an acknowledgment of the purported signature of Donna Carbajal. Falsely taking or receiving an acknowledgment of a signature on a written instrument is a third-degree felony, in violation of Section 117.105, Florida Statutes. Please fully explain the circumstances surrounding your notarization of the enclosed instruments.

- Ms. Bearden reports that Donna Carbajal, on whose behalf the instruments were drafted, lacked the mental capacity to execute or understand the contents of the documents. "A notary public may not notarize a signature on a document if it appears that the person is mentally incapable of understanding the nature and effect of the document at the time of the notarization." Fla. Stat. §117.107(5). Please fully explain the circumstances surrounding your notarization of this instrument.

- You failed to include a complete jurat or notarial certificate on the notarized "Last Will and Testament" dated May 11, 2015. Specifically, you failed to record the type of identification relied upon and you did not sign the document. Fla. Stat. §117.05(4)(f),(g). A complete and accurate jurat or notarial certificate must accompany each notarization performed.

Failure to fully and promptly cooperate with the investigation conducted by this Office will result in disciplinary action taken, up to and including the suspension of your notary commission.

Thank you for your prompt response to this matter.

Sincerely,

Chase Landrum

RE: Investigation of Notary Public J. Herrera

Dear Mr. Del Franco:

Thank you for contacting the Notary Section of the Executive Office of the Governor to file a complaint of notary misconduct against J. Herrera. This Office takes allegations of notary misconduct seriously, and relies upon vigilant citizens, like you, to ensure Florida notaries public adhere to the responsibilities and prohibitions of their office. However, the jurisdiction of this Office is limited to the laws governing notary conduct, as defined in Chapter 117, Florida Statutes, and we are unable to file criminal charges or make a document null and void.

Based upon your complaint, this Office has initiated an investigation of possible violations of Chapter 117, Florida Statutes. Ms. Herrera is now required to provide a sworn written response to each of the matters under investigation by this Office. A copy of the letter to J. Herrera is enclosed for your records.

RE: Investigation of Notary Public J. Herrera

Dear Mr. Landrum:

Thank you for the opportunity to respond to the sworn written statement of Notary Public J. Herrera. Based on Ms. Herrera's sworn statement, I am submitting a brief explanation of the additional evidence enclosed for your review.

1. Herrera claims she went to Donna Carbajal's home on May 11, 2015 and witnessed her sign the Last Will and Testament and Quit Claim Deed. She states Ms. Carbajal was in bed and requested Ms. Herrera, Witness Nichole Leon, Witness Leonardo Diez, and Mr. De Leon come into her bedroom to witness her signatures.

   Response: The residence of Donna Carbajal is a 765 sq. ft., two bedroom, two bathroom condo. The two bedrooms are the same size and rather small with a Queen size bed and dresser inside. The idea of Notary J. Herrera, witness Nichole Leon, witness Leonardo Diez, Mr. De Leon, and Donna Carbajal all present in the bedroom at one time and conducting legal matters is ridiculous. **Exhibit A**: Property Record of Donna Carbajal's Residence, 2775 West 62 Street, 101, Hialeah, Florida 33016.

2. Herrera claims on May 11, sometime after 6:27 pm, Donna Carbajal was alert, competent, was not lacking the capacity to sign, and did not show any type of distress or unwillingness to sign.

   Response: On May 11, Donna Carbajal was under the care of Hospice due to s. 119.071(5)(f) F.S. and taking numerous medications related to her illness. **Exhibit B**: Prescription Records of

Donna Carbajal. **Exhibit C:** Medication Review Report for Donna Carbajal from Heartland HCC in Miami Lakes.

3. Herrera claims Donna Carbajal signed the documents in her presence and she saw Carbajal's drivers license.

   Response: Of the documents notarized by J. Herrera, each signature of Donna Carbajal is different and none match Donna Carbajal's signature on her drivers license. **Exhibit D**: Drivers License of Donna Carbajal.

4. Herrera provided a copy of a text message exchange with Ismael De Leon on May 11, at 6:27 pm, as evidence of her presence during the signing by Donna Carbajal.

   Response: Herrera's documentation is proof that Mr. De Leon contacted her on May 11, at 6:27 pm to come to Donna Carbajal's residence to notarize the will. Herrera's response to Ismael De Leon is to call her. Herrera's documentation fails to provide any indication of her proceeding to the residence at that time or any other time. Additionally, the text exchange occurred on May 11, at 6:27 pm. Donna Carbajal passed away less than 24 hours later on May 12, at 5:00 pm from complications of cancer. **Exhibit E**: External Examination Report prepared by Michael Steckbauer, MD. **Exhibit F**: Death Certificate of Donna Carbajal with date and time of Death

Thank you for your cooperation in this matter of mutual concern. Should you need further information, please feel free to contact me at anytime.

Barbara Bearden

NATURE OF COMPLAINT

Must be typewritten or clearly printed. Specifically describe and provide facts of alleged misconduct, and attach a copy of the improperly notarized document(s). Additional space provided on second page, if needed.

Notary Public, J. Herrera, of Miami Dade County Florida, violated Florida Statute 117.05(4)(f), 117.05(5), 117.107(5), and 117.107(9), when she notarized a Last Will and Testament and Quit Claim Deed on May 11, 2015, allegedly signed by Donna Carbajal and witnessed by Leonardo Diez and Nichole Leon, residents of Miami Dade County. Both documents indicate the beneficiary is Ismael L. De Leon, of Miami Dade County. Ms. Herrera violated statutes by not identifying Ms. Carbajal or the Witnesses, notarizing a document signed by a person who was not of the mental capacity of understanding, and notarizing a signature of a person who was not in her presence at the time the signature was notarized. Furthermore, the documents are believed to be the result of Forgery and Fraud.

The Facts:
Donna Carbajal passed away on May 12, 2015 and has two surviving relatives, her sisters, Barbara Bearden and Nancy Gilbert. Ms. Carbajal was divorced from Ruben Carbajal in 1994 and never remarried or had any children. Ms. Carbajals' boyfriend, Ismael L. De Leon, attempted to conceal her death from the family, attempted to have Ms. Carbajal's body Cremated prior to the family learning of her death, claimed to be Ms. Carbajal's/Next of Kin, and stated Ms. Carbajal has no surviving relatives. The family became aware of Ms. Carbajals' death of their own accord on May 17, 2015, when attempting to visit Ms. Carbajal at her home. Mr. De Leon refused to communicate with Barbara Bearden and or advise of where Ms. Carbajal's body was located. Barbara Bearden was able to locate the body on May

A

18 at the Crematorium and supplied documentation that she is the surviving sister and Next of Kin. The Crematorium notified Mr. De Leon that he made false statements regarding Ms. Carbajal and the Crematorium will be dealing only with the family from this point. The next day, Mr. De Leon produced the attached purported Last Will and Testament of Donna Carbajal. The Purported Will was signed, witnessed, and notarized on May 11, 2015, THE VERY DAY BEFORE SHE DIED. Prior to the family involvement, Mr. De Leon never indicated a will existed, to the Crematorium or Family. Additionally, the purported Will states Ms. Carbajal left her entire estate to Mr. De Leon and appointed him as the executor. Currently, Barbara Bearden and Nancy Gilbert are actively pursuing Probate Case Number 2015-2112 contesting the alleged will. Fortunately, the Judge signed and entered an Emergency Order to Stop Cremation and that an autopsy be performed.

On May 14, 2015, two days after Ms. Carbajal passed away, Mr. De Leon withdrew all but $24.00 from her Checking Account. On May 18, 2015, Monday, the day the family became involved, Mr. De Leon has the purported Quit Claim Deed recorded by the Miami Dade Clerk of Courts.

The following is the issues with the notarized documents:
The Will
1. The document was prepared the day before Ms. Carbajal's death.
1. The actual, pages 1-3, does not have any signatures or initials. Signature page is a whole separate page.
2. Page 4 Personal Statement, Signature of Ms. Carbajal is different from signature on pages 5 and 7.
3. Page 2, Article V, names Nancy Gilbert, as executor, if De Leon should predecease Donna. DE LEON OBVIOUSLY KNEW THERE WERE OTHER RELATIVES.
4. Page 4 and 5, witnesses are his family members, Leonardo Diez (brother in law/common law husband of Mr. De Leon's sister, Isabel De Leon) and Nichole Leon (family member).
5. Page 5, Ms. Carbajal's signature is very different from page 4 and 7.
6. Page 6, Notary Seal and Signature of Jackie Herrera, DOB 11-7-1970, is the NEXT DOOR NEIGHBOR of NICOLE LEON, Witness. Her home address is 18159 NW 61 Court, Miami, FL 33015. Nichole Leon lives at 18169 NW 61 Court, Miami, FL 33015. Verified thru public records on Miamidade.gov.
7. Page 7, Donna's signature is different from first two.
8. Page 7 or any other page, Notary does not indicate how Donna or witnesses were identified, ie: personally known or state identification.

The Quit Claim Deed
1. The document was prepared the day prior to Ms. Carbajal's death.
2. Initials of Ms. Carbajal do not match her signature or printed name.
3. Ms. Carbajal did not use or sign her full name of Donna Arelene Postel Carbajal on any official recorded documents or otherwise.
4. The witnesses are the same family members who witnessed the alleged Will.
5. The notary is the next door neighbor of one of the witnesses.

Therefore, I request a formal investigation into Ms. J. Herrera's violation of the above referenced Florida Statutes and by held criminally accountable if found to have committed the violations as stated.

I certify that the information in this complaint is true and correct to the best of my knowledge.

Signature Barbara Bearden Date June 23 2015

Good morning,

I am sending the information on behalf of my mother, Barbara Bearden, as next of Kin to the Owner, Donna Carbajal, for the above property.

On 5-12-15, Donna Carbajal died. On 5-18-15, Ismael De Leon went to the Clerk of the Court and recorded a fraudulent and forged Quit Claim Deed. The Deed Fraud was reported to MDPD today.

I am proceeding in court to resolve the issue, case #20015-2112, and the attorney is David Mangiero and Lian De La Riva. The attorneys will be filing a Lis Pends against the property.

The Gaurdian Ad Litem for the estate is Kenneth Lancaster.

Please feel free to contact Barbara Bearden at 305-761-1154 should you need further information.

Thank you for your assistance in this matter.

Sincerely,
Lori Bearden, for Barbara Bearden
