GOVERNOR

January 15, 2019

Director Jared Moskowitz  
Division of Emergency Management  
2555 Shumard Oak Boulevard  
Tallahassee, Florida 32399-2100

Dear Director Moskowitz:

Earlier today I issued a directive to the Department of Management Services (DMS) instructing them to modify the protocol for reimbursement of expenses to state workers and contractors as a result of the unconscionable actions by Airbnb to boycott Israel.

I am directing the Division of Emergency Management to review the temporary housing arrangements for disaster survivors in this state to ensure that this directive to DMS does not adversely impact any displaced Floridians. If any disaster survivor is receiving temporary housing through the services of Airbnb, you are instructed to work with those individuals to ensure continuity of their housing.

I do not want to see Floridians displaced by natural disasters to be negatively affected.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ron DeSantis".
