**RE: COVID-19 Employer Vaccination Requirement**

Dear Mr. Woodlief:

I am in receipt of your letter dated September 24, 2021. In response to your inquiry, there are zero employees who are subject to a City COVID-19 employer vaccination requirement. Please be advised that on September 23, 2021, the City Commission of the City of Gainesville took action to rescind their August 5th action related to COVID-19. Based upon that rescission, the directives enumerated in my memoranda dated August 12, 2021 and updated August 14, 2021 have been voided.

Please let me know if you have any further questions.

Sincerely,

Lee R. Feldman, ICMA-CM  
City Manager
