Dear President Simpson, Speaker Sprowls, and members of the Florida Legislature:

I respectfully present my budget recommendations for the 2022-2023 Fiscal Year for your review and consideration. You may access these recommendations and accompanying documentation at the following link - <http://www.freedomfirstbudget.com/>.

This fourth budget of my administration highlights Florida's resiliency and strength and continues my commitment to fight for Florida's families, freedoms, and future.

The Freedom First Budget invests record funding in our children's education and our environmental resources, while maintaining historic reserves for the future.

I appreciate your review and consideration of my budget proposal and look forward to working with you over the course of the next few months as you craft your budget and respective appropriations bills.

Sincerely,
