Re: Letter of Resignation from the County Seat Due to Elevation to Circuit Seat

Dear Governor DeSantis,

I want to thank you for the opportunity to continue to serve the people of Broward County now as a Circuit Court Judge. It was a great honor to be a County Court Judge and I resign only because of my elevation to the Circuit Court bench.

I am truly humbled by this appointment and I appreciate the ability to continue my work in this new position. December 6, 2021 is the effective date of my Resignation.

Sincerely,

Natasha DePrimo
