**IV. STATE ASSESSMENT**

25. EMERGENCY MANAGEMENT ASSESSMENT OF THE SITUATION

The fire began around 1120 hours and rapidly expanded to 800 acres within 4 hours. Currently, 8 homes are destroyed and over 1000 additional homes threatened. The area is a mixture of residential, commercial and natural environments, with impacts to major roadway systems within Panama City. This is an area still recovering from vegetative debri from Hurricane Michael. Mutual aid is on scene. An Executive Order has been drafted and LSE in effect. Atmospheric conditions will continue to promote rapid fire growth and flare-ups over the next 4 days.

SIGNATURE  DATE 03/04/2022

26. FORESTRY ASSESSMENT OF THE SITUATION  
Crews have been pulled from other active fires to assist. Weather conditions will remain dry for several days. KBDI is at 153. Fire activity across the state has limited

**Privacy Notice Form Request for Fire Management Assistance Declaration**

**AUTHORITY:** FEMA collects, uses, maintains, retrieves, and disseminates the records within this form under the Section 420 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5187 and §303 of the Disaster Mitigation Act of 2000).

**PRINCIPAL PURPOSE:** FEMA is collecting this information to determine which state(s), local, tribal, or territorial government(s) are eligible for Fire Management Assistance Grants. FEMA collects information from the governor of the state or the governor's authorized representative in order to allow FEMA to contact the grant applicants in order to complete grant applications.

**ROUTINE USES:** FEMA may share the personal information of U.S. citizens and lawful permanent residents contained in their grant applications, as generally permitted under 5 U.S.C. § 552a(b) of the Privacy Act of 1974, as amended, including pursuant to routine uses published in DHS/FEMA/PIA - 013 Grant Management Programs (February 19, 2015).

**DISCLOSURE:** The disclosure of this information is voluntary, however, failure to furnish this information may result in a delay of FEMA assistance.
