

FLORIDA

THE **MEDICAL FREEDOM STATE**

STRONGEST LEGISLATION IN THE NATION FOR **MEDICAL FREEDOM**

- + **PROHIBITS** globalized public health institutions, such as the World Health Organization, from dictating policy in Florida.
- + **ALLOWS** patients to choose COVID-19 treatment alternatives without a hospital interfering or pressuring an individual.
- + **PROVIDES** permanent protections against forced COVID-19 testing, masking, and vaccinations. Also protects against any mandate regarding mRNA vaccines and vaccines authorized for emergency use.
- + **REQUIRES** health care practitioners to receive consent from their patient before prescribing any medication for the treatment of COVID-19.
- + **BANS** discrimination in providing medical care or procedures due to COVID-19 vaccination status.

BROADEST **MEDICAL CONSCIENCE PROTECTIONS** IN U.S.

- + **SAFEGUARDS** the free speech of doctors.
- + **ALLOWS** doctors to collaborate with patients to prescribe alternative treatments and protects medical professionals who choose not to use a certain treatment based on their moral, ethical, or religious convictions.
- + **PROVIDES** a path for doctors to protect their license from medical or accreditation boards that are attempting to punish them for speaking out against the medical establishment.

FIRST STATE TO **BAN GAIN OF FUNCTION RESEARCH**

- + **FORBIDS** dangerous research that artificially mutates viruses (like the Wuhan lab).
