RE: Flags at Half-Staff in Honor of Patriot Day

It has been 22 years since the United States of America experienced the heinous acts of terror on September 11, 2001. United our country stands in remembrance of the 2,977 lives that were lost on that day; including many first responders, and military personal who demonstrated selfless courage in responding to these evil acts. I signed the attached Proclamation, and hereby direct the flags of the United States and the State of Florida to be flown at half-staff at all local and state buildings, installations, and grounds throughout the State of Florida from midnight to midnight on Monday, September 11, 2023, to honor and remember those that were lost on that dreadful day.
