

2015 National Faith Symposium

"Our Children, Our Future: Strengthening Families and Communities through Faith"

Sponsorship Opportunities

The National Faith Symposium is one of the State of Florida's premier events that brings together leaders of faith, child welfare, juvenile justice, and others to talk about how we work together to empower Florida's children and families and set them on a path to success. This must attend event is being held in collaboration with the Florida Department of Juvenile Justice, the Florida Department of Children and Families and their partner, the Florida Faith-Based and Community-Based Advisory Council.
