

## 2021 HOPE STREET DIVERSION PROGRAM TALKING POINTS

### ONE MORE CHILD HOPE STREET PROGRAM OVERVIEW

Located in the inner city of Tampa-Sulphur Springs, Hope Street began in January 2014, providing Adopt a Block services with 50 volunteers serving 10 blocks. Community relationships began to form and programs began to expand as other community needs were identified. One More Child Hope Street currently provides education (tutoring, GEDs and job placement), tangible supplies such as clothing, food and baby items and the Hope for Boys and Hope for Girls—a diversion program that mentors at-risk youth.

In 2020, 324,409 children and individuals were impacted domestically and globally at more than 50 locations worldwide through efforts in foster care, anti-trafficking, child hunger, single moms programs and family support services. However, it is not enough. We want to reach one more child who is disadvantaged, neglected or abused to give them hope for a bright future.
