***FLORIDA TRAUMA-INFORMED CARE DAY***

**WHEREAS, the trauma-informed care approach engages individuals with histories of trauma and helps them to recognize its symptoms and acknowledge the role it has played in their lives; and**

**WHEREAS, Florida's state agencies have adopted trauma-informed care approaches, basing their services on an understanding of the vulnerabilities and triggers of trauma survivors that traditional service delivery approaches may exacerbate, so that these services and programs can be more supportive and avoid re-traumatization; and**

**WHEREAS, trauma-informed care has changed the way we provide services to the youth and families in Florida; and**

**WHEREAS, trauma-sensitive interventions are designed to address the consequences of trauma in the individual and to facilitate healing;**

**NOW, THEREFORE, I, Rick Scott, Governor of the State of Florida, do hereby extend my support and appreciation to all who serve victims of trauma and recognize November 1, 2018, as *Florida Trauma-Informed Care Day*.**

**IN WITNESS WHEREOF, I have hereunto set my hand and caused the Great Seal of the State of Florida to be affixed at Tallahassee, the Capital, this 23rd day of October, in the year two thousand eighteen.**
