Dear Cabinet Member,

Children's Week will be hosting a statewide press conference on the back steps of the Old Capitol Building at 9:00am on Tuesday, April 9, 2013. We would greatly appreciate your attendance and participation in this press conference. It will address the collaboration of children's advocates around the state and the many issues that face Florida's children and families today.

Children's Week's primary focus has always been to increase awareness about many of the issues facing Florida's children and families. Our partnership with Comcast has greatly increased our capacity to inform our communities about these issues.

We would like to extend an invitation to you and request your participation in this wonderful press conference aiming to inform viewers about important social issues that impact our communities.

Thank you in advance for your time and consideration. If you have any questions, please feel free to contact us at 850-251-7274 or e-mail jz@childrensweek.org.

Sincerely,
