Wait No More:
Finding Families For Florida's Waiting Kids
Pastor, Church Leader, and Area Influencer Event

About 750 children and youth in Florida foster care are waiting for adoptive families, and we believe the church can make the difference for these kids. We invite you to come hear the vision for the *Wait No More* event sponsored by Focus on the Family in conjunction with the Florida Department of Children and Families and local adoption agencies and ministries. Together, we can make a difference for the kids in our community.
