KEY TAKEAWAYS

Florida is getting back on its feet but we still need to do our part to help stop the spread of COVID-19 with these three simple actions:

Wear Your Mask. To protect yourself *and* those around you.

Practice Social Distancing. Stay *at least* 6 feet away from others.

Wash Your Hands. Scrub with soap and water for 20 seconds.

LET'S ALL STAY SAFE AND STOP THE
SPREAD *TOGETHER.*
