Re: Resignation—District Judge (Second District Court of Appeal)

Dear Governor DeSantis:

On June 1, 2020, the U.S. Senate confirmed my nomination to serve as a United States District Judge for the Middle District of Florida. As such, I must resign my present office (District Judge, Second District Court of Appeal), effective when the President signs my Commission. It has been my great honor and privilege to serve the people of our great State for the past five years.

I thank Senator Rick Scott for appointing me to the Second District Court of Appeal in 2015. And I thank you for your commitment to appoint extremely qualified and hardworking individuals to the very busy courts of our State. I look forward to continuing my two decades of public service in my new role as a federal judge.

With Gratitude,

A handwritten signature in cursive script that reads "John L. Badalamenti".
