WHEREAS, Executive Order 12-192 will expire on September 19, 2012, unless extended; and

WHEREAS, the following counties continue to recover from the effects of Tropical Storm Debby: Baker, Bradford, Charlotte, Citrus, Clay, Collier, Columbia, Dixie, Duval, Franklin, Gilchrist, Gulf, Hamilton, Hernando, Highlands, Hillsborough, Jefferson, Lafayette, Lee, Levy, Liberty, Madison, Manatee, Nassau, Pasco, Pinellas, Polk, Putnam, Santa Rosa, Sarasota, Suwannee, Taylor, Union, and Wakulla Counties.

NOW, THEREFORE, I, RICK SCOTT, as Governor of Florida, by virtue of the authority vested in me by Article IV, Section 1(a) of the Florida Constitution and by the Florida Emergency Management Act, as amended, and all other applicable laws, promulgate the following Executive Order, to take immediate effect:

Section 1. Because of the foregoing conditions, I declare that the effects of Tropical Storm Debby continue to threaten the State of Florida and as a consequence of this danger a state

of emergency exists in the above listed Florida counties. Therefore, I extend Executive Order 12-192 for five days from the date of this Order, but only to the following extent:

A. I designate the Director of the Division of Emergency Management as the State Coordinating Officer for the duration of this emergency and direct him to activate the State's Comprehensive Emergency Management Plan and other response, recovery, and mitigation plans necessary to cope with the emergency. Pursuant to section 252.36(1)(a), Florida Statutes, I delegate to the State Coordinating Officer the authority to exercise those powers delineated in sections 252.36(5)-(10), Florida Statutes, which he shall exercise as needed to meet this emergency, subject to the limitations of section 252.33, Florida Statutes. In exercising the powers delegated by this Order, the State Coordinating Officer shall confer with the Governor to the fullest extent practicable. The State Coordinating Officer shall also have the authority to:

1. Invoke and administer the Emergency Management Assistance Compact ("EMAC") (sections 252.921-.933, Florida Statutes) and other compacts and agreements existing between the State of Florida and other states, and the further authority to coordinate the allocation of resources from such other states that are made available to Florida under such compacts and agreement so as best to meet this emergency.

2. Seek direct assistance from, and enter into agreements, with any and all agencies of the United States Government as may be needed to meet this emergency.

4. Designate Deputy State Coordinating Officers.

5. Enter into such orders as may be needed to implement any or all of the foregoing powers.

B. I also find that the special duties and responsibilities resting upon the Division of Emergency Management in responding to this emergency may require it to waive or deviate from the statutes, rules, and orders it administers. I delegate to the Division of Emergency Management the authority to waive or deviate from such statutes, rules, or agency orders to the extent that such actions are needed to cope with this emergency, including, but not limited to, any and all statutes, rules, or orders that affect budgeting, leasing, printing, purchasing, travel, conditions of employment, and the compensation of employees. .
