On Memorial Day, we honor the fallen heroes of the United States Military who have sacrificed their lives defending our freedom. It is with gratitude and respect that we remember their bravery and perseverance. Our state and nation will never forget what they have done for us.

This Memorial Day, I hereby direct the flags of the United States and the State of Florida to be flown at half-staff at all local and state buildings, installations, and grounds throughout the State of Florida from sunrise until noon on Monday, May 25, 2020.
